

Process Timeline

Expectations and Deadlines for an On-Time Purchase Closing

1 DAY 1-5 APPLICATION

Borrower pays the application fee for credit report and completes application if not been pre-qualified already. Borrower receives initial disclosures, Loan Estimate. Borrower returns intent to proceed, provides required loan documents for underwriting. Processor receives initial loan file, preps for initial underwriting.

3 DAY 11-30 SECURE BID'S

Borrower submits all required documents to processor, reviews required repairs per City Inspection.

Closer orders title, abstracting. Borrower provides detailed contractor bids, signed and dated contractor agreement. Loan Officer adjusts loan, re-discloses if needed, orders appraisal.

5 DAY 46-60 FINAL APPROVAL - CLEAR TO CLOSE (CTC)

Underwriter reviews and issues final loan approval by Day 50, sends file to closer.

Day 51-53, Closer reviews title, confirms homeowners insurance, reviews any closing conditions, then coordinates, prepares

Closing Disclosures and delivers to borrowers 7 days Prior to Closing. Schedules closing by Day 60, coordinates and notifies parties with Loan Officer.
